UNDERSTANDING ISAIAH

Elder Bruce R. McConkie said, “It just may be that my salvation (and yours also!) does in fact depend upon our ability to understand the writings of Isaiah.” It was the writings of Isaiah that Nephi most often employed to “more fully persuade” others to believe in Christ. (1 Nephi 19:23). And the Savior himself has commanded us to “search these things diligently; for great are the writings of Isaiah.” (3 Nephi 23:1) But we must acknowledge “that many people find Isaiah hard to understand. His words are almost totally beyond the comprehension of those in the Churches of the world. . . . Even in the true church, among those who should be enlightened by the gift of the Holy Ghost, there are those who [look upon the words of Isaiah] as though they were part of a sealed book” This month we will try to open the seals and embrace the Book of Isaiah in our own personal scripture study. We will discuss the doctrines, tools, strategies, and habits that will help us increase our understanding of this preeminent prophet of the Lord; so that we can say, with Nephi, that our souls delight in the words of Isaiah (2 Nephi 25:5).

This event is for all singles adults 31 and over. All divorces must be final.
